Presidency University

Hindoo College (1817-1855), Presidency College (1855-2010)

Memo: PU/COE/220/2022

Date: 23-12-2022

Notice

It has been observed that students of **both UG & PG** while applying for continuation/renewal of various Scholarships like **Swami Vivekananda Merit cum Means Scholarship, INSPIRE** etc. after their completion of 1st/2nd year in UG and completion of 1st year in PG are failing to submit **marks/percentage of marks** they obtained in their respective examinations on **Yearly Basis**, as our University results are declared in **grades only**, not in terms of marks/percentage.

In order to resolve the issue in favour of the students and also keeping in mind the provisions of Examination Regulations, it is hereby notified that a maximum scalable 20-point marks over a period of one year i.e. a sum of ten points for each semester shall be considered as the Total Marks and while the sum of two SGPA's obtained by a student shall be identified as the marks obtained by the student as against a total marks of 20 in a year.

This formula of conversion shall be applicable for submission of marks (Total &/or percentage) obtained against Total Marks by students only for the purpose of submitting renewal application of all kinds of scholarships by the students after completion of 1st/2nd year in UG and 1st year in PG and not for any other purpose/s.

Percentage of marks obtained by a student in a Year shall be calculated as:

$$= \frac{\text{Marks obtained by the student (SGPA Odd + SGPA Even)}}{\text{Total Marks 20 (10 + 10)}} \times 100$$

This is issued with due approval of the competent authority.
